Honor - Opportunity - Pride - Excellence

The graduating class of 2000 has embodied all of these qualities during their four years at Pope John. The graduates have continued to bring honor to Pope John with each triumph over adversity. Our seniors have been recognized throughout the wider community for their relentless efforts to better society. With the use of their strong leadership skills, our seniors have taken the opportunity to participate in the Campus Ministry program at Pope John. Whether they were hosting retreats, running a food drive or preparing liturgy, hard work and dedication were essential to the success of their endeavors. The members of the senior class have also brought a feeling of great pride to Pope John. Last year, members of the class of 2000 caravaned in the Division VI Super Bowl and brought home a victory which was celebrated by all. The graduates of Pope John have proven their excellence with their many achievements in our Advanced Placement Program and National Honor Society. The class of 2000 has also taken a major step forward in technology by participating in Virtual High School.

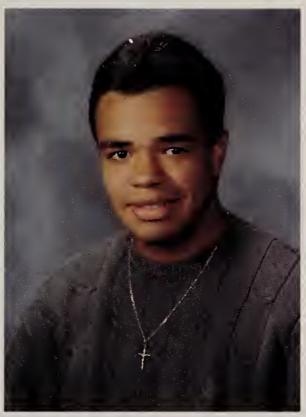

This graduating class is truly our **HOPE** for the new millennium. Their dedication and diligence will take them far into the future. The success of the class of 2000 will inspire those who follow in their footsteps.

OPPORTUNITY

Here at Pope John XXIII High School, we offer a tremendous amount of OPPORTUNITY to our students. Aside from fostering scholastic achievement, we encourage our students to get involved in extracurricular activities and broaden their horizons. Every day before and after school, students can be found participating in such activities as drama and broadcast news. It is the dedication of our students that enable these activities to flourish here at Pope John. What follows is a tribute to their diligence and due recognition of their dedication to the opportunities they have seized.

Hey, that second cup of jellybeans is starting to kick in!

Let's see, maybe if I glue the head back on.

One for them, two for me.

Wait a sec, these are Corrine's pictures of NKOTB!

Under the senior leadership of Jen Silva and Liane Julianello, a young and inexperienced yearbook team

accomplished a great deal this year. More importantly, HOPE 2000 taught us many lessons. From the

advisors, "It is impossible to thank properly those who sacrificed so many hours of their lives. You

know who you are . . . Deo Gratia!"

Do you think we could sneak a collage in here?

pride (prīd), n. 1. a high opinion of one's own dignity, importance, or merit. 2. the state or feeling of being proud. 3. A becoming or dignified sense of what is due oneself self-respect' self-esteem. 4. Pleasure or satisfaction taken in something done by or belonging to oneself or believed to reflect credit upon oneself.

PRIDE

The students of the Pope John bring an enormous sense of PRIDE to their school community. Whether scoring a basket at the last minute or improving upon their race time, Pope John student athletes exhibit a strong sense of confidence in all of their endeavors. It is the achievements of the students that bring a strong sense of respect to Pope John XXIII High School. On the following pages you will find our pride, the students who exhibit strength not only in the classroom, but on the athletic field as well.

Hmmmm ...

Where's the concession stand?!

The cheerleading squad made Pope John history this year when they qualified for the state competition. After spending part of the summer at a cheerleading camp at Boston University, the girls returned to Pope John motivated for competition. Lead by captains Laurrie Catoggio, Rosanna D'Addieco and Liz Vasquez, the girls finished first in their division and placed third overall in the league competition. They placed third in a competition at Bishop Fenwick. When the cheer-leaders attended the regional competition at Greater Lowell, they took third place overall. Team all-stars were Toni-Ann Bertolino and Liz Vasquez.

C'mon let's celebrate!

The perfect cheer.

Coming off the Superbowl win in 1998 having graduated a lot of players, this year's football team had their work cut out for them. Led by senior captains Nelson Carabello, Josh "Chuck" DeSimone, Stephen Grace, and Peter Wade the team hoped to initiate many new players into Coach DiLoretto's system. The best game of the season came against North Shore where in the final seconds of the game, Josh DeSimone recovered a North Shore fumble on the PJ 5-yard line, stopping the drive and securing the 14-12 victory for the Tigers. All-Stars were Peter Wade, Josh DeSimone, and Nelson Carabello.

CROSS-COUNTRY

The cross country team had a strong season this year inder the leadership of their coach Sr. Nancy Brennan. At their Second race of the season against Mt. Alvernia, Andrea Manley, Pui Chi Wong, Christine Gontarz and Carolyn Endicott took places first through fourth repectively, giving the team a strong win and hopes for a great season. The captains Liane Julianello, Jenn Silva and Pui Chi Wong all worked hard to keep the team notivated. The MVP, Andrea Manley consistently placed first for Pope John in all of the races. The girls inished with an overall record at 3:2. All of the seniors vill be missed, but the team looks forward to another vinning season next year.

VOLLEYBALL

With only two returning players from last years varsity team, and a senior, eight inexperienced young players, and a new coach; our volleyball team only managed to pull off two wins this season. These young women worked very hard this year and after each game showed more and more improvement. One of the biggest accomplishments of the season was forcing state tournaments bound Presentation of Mary Academy to a three game match in two out of three games that we faced them. The hard work and determination will definately pay off next year, with returning captain and allstar Jessica Hamill's leadership and focus a path will be paved in which others will follow. Although the loss of senior captain and allstar Theresa Fitzpatrick will be felt, the returning players will prove that the future is bright!

GIRLS"

The girls soccer team started off their season strongly with a winning game of 2:0. Captain Nicole Spaulding was in goal. Under the leadership of the captains, Macci Ciambra, Alesha Small, Nicole Spaulding, Robyn Santini and Amanda Baressi, all of the girls on the team worked very hard. Macci Ciambra took the MVP award. The team, which was coached by Fred DiCenso and Mr. Ciambra, looks forward to a good season next vear.

SOCCER

The 1999 season was a rebuilding year for boys' soccer. Under the leadership of the two senior captains and MVP winners Chris Clooney and Chris Rocco, this mostly underclass team pulled out a winning season.

GYMNASTICS

This year the Gymnastics team, coached by Betty Peavey, had it's best year ever with a 6-3 record. Jenn Sauchuk, sophmore, placed first for all around, and now she will head to the States. With stellar performances by Captain Janine Marchese and Rachel Lavoie, the entire team gave it their all. Way to go ladies!

Hockey

The 1999-2000 season, was a time of change for the Tiger's hockey team. With the addition of eleven new faces and the guidance from three great captains the team had given a great performance. Next year veterans of the team hope to conquer all others in the new league.

GIRLS' BASKETBALL

Girls' basketball witnessed a season of growth distinguished by a very rare accomplishment. Before a home crowd, senior captain Nicole "Jello" Spaulding jiggled passed the 1000point mark this season, a feat only seen twice before in the entire history of the school. Look for freshman varsity standout Lucia Robinson to make some impressive moves in the next three years.

Boys' Basketball

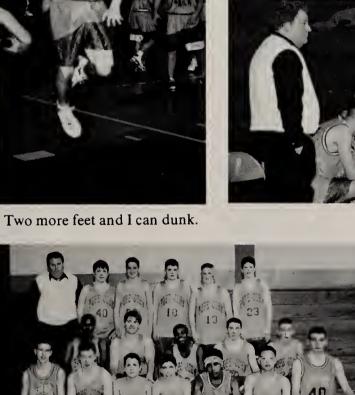

Our 1999-2000 season was a great time. At times, the scoreboard would show that we had lost, in our hearts we had won. Every game the team went out and gave it their all, hoping to show that even without seniors, our captains could lead us to victory. In the new year we are entering a new league and also without loosing any members.

EXCELLENCE

In our academic pursuits, Pope John XXIII High School has encouraged academic EXCELLENCE from all. Supported by a newly renovated technology center, students were offered the chance to participate in the Virtual High School, an innovative approach to classroom study. Throughout the day, students can be found in science labs running experiments or in the Library Media Center doing research. In this last section we try to capture in pictures what is the bedrock of our existence, educational EXCELLENCE.
